

## What's Happening V

The votes are still coming in for the new District name. Thank you to those units who have voted and to those units that have not voted, please be sure to get your vote in as soon as possible. Once we have a name selected, we can get started on our new web site and initiate the contest to have our youth design our logo and patch. Not much else to update you on regarding the merger so let's take a look at what is happening in the District.

The Pinewood Derby on March 14 was a great success per the boys and their families. We all had an awesome time. Thanks to everyone that were involved in making it another super event. Don't miss these coming Scouting opportunities.
