

What's Happening VI

Spring is upon us and the next event is the Camping and Merit Badge Weekend. We are so lucky to have a great Scouting program and the support of so many in our units and district. I just checked and there were only a handful that had to cast their votes for the new District name. A deadline of April 1, 2009 was just announced to encourage the wrap up. We will then be able to announce the name, start the new web site and plan the contest for the youth to design our new logo and patch.

Once we hear the nominating committee's decision for District Chair, we can make that announcement and proceed to identify the District Commissioner. Then the rest of the District Team can be identified.

It's never over til it's over. I will be back to you next week with more information.

David J. Murphy
District Chair
March 23, 2009
