

## What's Happening VII

Well, you selected a name for the new district . . . Many Waters . . . and we announced the Logo and Patch Contest with rules posted on the web site. The new web site is also getting started so don't forget to send Dick Weiss your thoughts and input.

We should hear back from the Council in a few weeks on the work of the Nominating Committee so we can announce the District Chair and District Commissioner for the new district.

We had a great turn out for Merit Badge Day. Thanks to Holly Peirson from Sunrise River and her staff for putting on a great Day. I got there in the afternoon and had a great time talking with the boys about what fun they had. After all the Merit Badge classes were done, it was very peaceful in the camp with 10 troops settling down for supper.

Speaking of food, I am looking forward to our next Roundtable for the Cooking Competitions. The Order of the Arrow is planning a few surprise menu items so don't forget to get your boys out there to cook up some fantastic vittles.

Talk with you soon.

David J. Murphy  
District Chair
