

What's Happening VIII

It's been a while since we had an update. We launched our new name and started the contest to have our youth design our new logo and patch. A 100th Anniversary Commemorative prize will be awarded but you have to get your design in. You can be a Cub, Boy Scout or Crew member to submit a design. Let's see if we can flood the Council mail with entries.

We also saw Easter come and go and now spring is here, unless you misplaced it.

How many of you were at the Kiwanis Opener or the Youth Leader College on April 18? We were very busy that weekend.

And we all got out to Scout for Food April 25. Hope you were all successful. I know of one Troop that brought in over 5,600 lbs. of food.

Since our last update we also had our District Dinner with over 85 Scouts and Scouters in attendance. It was a great time and we got to honor many on our 9th Anniversary Dinner. Mary and Dan always take such great care of us.

The next event on the horizon is our May 7 Roundtable with the Annual Cooking Contest. Let's see who can top each other. I heard the OA are really cooking up a storm.

No other news to share. We should hear from the Nominating Committee and the Council by the Roundtable on the District Chair and District Commissioner. Then it will take the rest of May to establish who is doing what. It's like at home, everything takes time. Updates after the Roundtable.

David J. Murphy
District Chair
