

What's Happening IX

Our last Roundtable with lots of great cooking is finally here. We hope that everyone participates. This should be a great Roundtable. We expect to hear the announcement of who is the new District Commissioner and the new District Chair at this Roundtable. So come and meet your fellow Scouters, get updated and enjoy the fantastic food.

We also need you to know that we have not gotten any entries for the new Many Waters Logo and Patch Contest. We really need your help so we have a logo for our Flag and we can all wear the Many Waters patch.

Don't Delay. Get those entries in so you can say you designed the new logo/patch and get a chance to be the winner of the Centennial Prize.

Finally, now that spring is here, get out and enjoy the fantastic weather. Camping, hiking, biking . . . whatever gets you out into the great outdoors.

David J. Murphy
Manitou District Chair
