

## What's Happening XI

This is the last "What's Happening" as we are now a new district thanks to all of your efforts. Possibly, in the fall I will start up "Dave's Corner". Until then, here is the news.

New Logo submitted by Youth! Yes, we do have some entries for the OA to peruse and make their recommendations. The official winner will be announced at our kickoff. Thanks to everyone for submitting entries.

The OA Vigil Candidates have been submitted and the OA will be advised of those selected by National by this fall. Congratulations to any that have been considered.

The Cub's , Webelos', Boy Scout's and Venturer's are wrapping up school and heading out on their summer adventures. We will need their help in encouraging others to join Scouting in the fall.

The volunteers are meeting and finding out all the things we need to do with this new district. As the teams get assembled, you will be able to find their names on our new web site.

Well, thank you again for all you do in Scouting. The youth thank you and I thank you.

David J. Murphy  
District Chair, Many Waters District
